A LASTING IMPRESSION

The NCAA Basketball Tournament has become a cultural phenomena on par with the Superbowl, and NCAA office pools are part and parcel of the experience. A netBrackets Branded Pool provides your business with a way to leverage this phenomena in a fun and unique way to reach both new and current customers. Your branded netBrackets pool will build a more lasting impression than a simple web or print ad by putting your business at the forefront of your customers thoughts for an entire month. Your branded pool, and by extension your business, will become a part of your customers' overall March Madness experience. Whenever entrants are following the games, or see mentions of March Madness on TV, radio or print, as well as while watching the games themselves, they'll be thinking of how they're doing in your pool.

After collecting each entrant's answers we'll send you a report spreadsheet for your analysis. This is the kind of hard to get information that can prove invaluable to any business wanting to know more about potential customers and what they are thinking.

CLIENT BENEFITS

In addition to leaving a lasting impression with your customers, a netBrackets Branded Pool holds many other benefits including:

Data Collection: You create a questionnaire and we collect the answers straight from your customers. See back panel for details.

Increased Site Traffic: For any business with a significant web presence, a netBrackets Branded Pool is a great way to build awareness of your site. Coupled with promotion and the "word of mouth" advertising that sports pools naturally drive, a branded pool can increase traffic to your own site throughout the month of the tournament.

Raising Money: For any clubs or charities, a netBrackets Branded Pool is a great way to raise money in style.

Build camaraderie: For any groups or businesses, a Branded Pool is a great way to just have a fun event for your fellow members or employees.

Ask us for special pricing on any charity or other types of "non-business" branded pools.

HOW IT WORKS

If you already have a website just send us a link and that's probably all we'll need to do a quick mock-up for you. Then if you like what you see, we can move forward, with you specifying the following:

Banners and Links - Up to 4 linked banners and images you'd like displayed on your pool's pages.

Color Samples - You can tell us specific colors, or just send us a link to a site you'd like us to match.

Desired Scoring Options - We support basic 'points per round' scoring as well as various seeded scoring options. Your choice.

Name and Tagline - Seen at the top of every page.

Questions (optional) - You can specify up to twenty 'multiple choice' or fill in the blank type questions you would like us to ask and collect from each entrant. We can also collect street and e-mail address information if desired.

Web Address - We'll register the URL of your choice that will link directly to your pool.

The screenshot shows a web browser window with the URL http://www.bubbasmadness.com. The page features a purple header with the text 'a's Frozen Custard | Get Your Mouth Full!'. Below the header is a menu item 'Fish Fry Sourdough Tuna Melt' priced at 4.99. The main content area is titled 'Join the Bubba's Frozen Custard College Basketball Pool' and contains a list of prizes, directions, and rules. At the bottom, there is a 'Create New User' form with fields for User Name, Password, and Last Name.
